

## **Notification of amendments to COVID-19 policies, procedures and systems**

These changes will take place from **Thursday 30<sup>th</sup> July 2020**

- The isolation period for someone with COVID-19 symptoms has been changed to **10 days** from seven. It still remains 14 days for the rest of the household
- There is now a procedure for making an appointment (see procedures)
- Settling in sessions will resume from September 2020. The nursery has put together a new procedure to follow during the Coronavirus pandemic (see procedures)
